RULES

The Rules of Golf are defined and administered by the R&A in Conjunction with the USGA. You can find the rules at <https://www.randa.org/rules/rules-hub> and an app is also available for download.

Along with the General Rules of Golf each course will have defined Local rules. A Local Rule is a modification of a Rule or an additional Rule that the Committee adopts for general play or a particular competition. The Committee is responsible for deciding whether to adopt any Local Rules and for making sure they are consistent with the principles found in Section 8 Of the General Rules Of Golf. The Committee needs to make sure that any Local Rules are available for players to see, whether on the scorecard, a separate handout, a notice board or the course's website.

Committees sometimes need to introduce Temporary Local Rules for situations which occur and are temporarily present on the golf course.

Following are the Local & Temporary Rules as defined at Pine Rivers Golf Club. These are also displayed on the wall to the right hand side of the main front entrance door.

Temporary Rules

- Preferred Lie through the green, One card length available
- No Preferred Lie in bunkers
- Full relief for ball coming to rest on bare patches or stone areas. Full relief to be taken at nearest point no closer to the hole
- Mulch Areas are in play on entire course. 1 Card length preferred lie available
- 6th Hole, new bare area in drain is GUR. Use Drop Zone indicated with yellow topped post.
- 6th Hole - The left side fence line is Out of Bounds
- 8th Hole - There is an optional Drop Zone on the far side of the Dam for balls entering the water from the tee.
- A ball hitting a white post, directional signs or rope, across your fairway, you have the option to replay stroke with no penalty.
- Any water in bunkers deems bunker out of play. Relief is taken outside of bunker at the nearest point, no closer to the hole.
- 12th, 13th & 14th Holes - Penalty area is marked with red stakes along right hand side of the fairway.
- 15th Fairway GUR Areas along left side of the fairways Relief at nearest point
